

Placement Assistance and Career Advising

While the College cannot guarantee employment, assistance is offered to all our students and graduates in both job placement and career advising. We assist graduates in locating entry level, educationally related career opportunities, working directly with business, industry, and board members of key institutions to assist all students with access to the marketplace.

We offer group and one-on-one advising in resume writing, job interview techniques, and other career planning activities. Specific information on job opportunities and basic criteria applicable to all students and graduates utilizing placement and career services is available for current students and recent graduates in our Student Support Services office.
