### **STUDENT'S RIGHT TO CANCEL**

A student has the right to cancel the enrollment and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

1. If the school has given a student any equipment, including books or other materials, the student shall return all items and equipment to the school within 15 days following the date of your notice of cancellation. If the student fails to return any borrowed item in good condition within the 15-day period, then the school may deduct its documented cost from any refund that may be due to the student. Once the student pays for the equipment, books or any other material, it becomes the student's property to keep without further obligation.
2. If the student cancels this agreement, then the school will refund any money that the student has paid, less the non-refundable fees and any deduction for equipment, books or other materials not returned in a timely manner and in good condition. This must take place within 30 days after the notice of cancellation sent by the student is received by the school.
3. If the program is canceled by the school or if the student is rejected or is a "no show" (never attended the program or course), then the student will receive a full refund (minus the nonrefundable fees) within 30 days from the scheduled first day of class.
